**Subject : Implementation of Government Accommodation Management System (GAMS) - Transmission & Monitoring of License Fee Recoveries.**

Sir,

Your kind attention is invited to Secretary (UD)'s d.o. of even number dated the 10th May, 2007 (copy enclosed) regarding the implementation of the online License Fee Collection & Monitoring System developed as part of the e-governance system called Government Accommodation Management System (GAMS) to facilitate the Drawing & Disbursing Officers to communicate their license fee recoveries, both past and future, in respect of their occupants of General Pool Residential Accommodation to the Dte. of Estates. Hundreds of offices have since successfully commenced transmission of monthly recoveries of license fee in respect of allottees of their offices to the Dte. of Estates through the new online system but regretfully, the DDO of your office has yet to act upon it despite a lapse of nearly four months.

You are therefore once again requested to kindly issue necessary instructions to the Drawing & Disbursing Officers under your control to switch over immediately to the new online License Fee Collection & Monitoring System for transmission of monthly recoveries and also complete the posting of past missing license fee recoveries in GAMS. Their cooperation in the matter would not only help the Dte. of Estates avoid taking the unsavoury step of cancellation of allotments as prescribed under SR-317-B-13 read with SR-317-B-21 but also save the allottees from the resultant inconvenience. It may kindly be impressed upon the DDOs that failure on their part to commence online posting of license fee recoveries will invite cancellation of allotments as per rules from 1st December, 2007.

Yours faithfully,

(Dr D. Suresh)  
Director of Estates
